

	<p>We are thinking of fruit trees and vegetables for both areas.</p> <p>Although the Rectory donated to us last year it was felt that making an improved garden for the residents was not something for the wider community and so not likely to be a points winner. Also they had failed to display the planters we had filled for them last year so we put this on hold.</p> <p>Willow art was discussed as not only a piece of art but also for children to play in. Perhaps on Duffield close. Helen to investigate Willow art. Julie to check the space needed for the gala before asking the P.C for permission.</p> <p>Julie felt that it would be useful to invite Dave Bramwell to talk to the committee on how we can gain more points next year and plan our route to the best advantage, perhaps concentrating more centrally and more on foot.</p> <p>The bark has not been received as yet for the Jubilee garden. Julie to chase Dave Coupe. It was decided to miss out the weed sheet as felt not needed &amp; will allow bulbs to come through. A work party will then be arranged.</p> <p>Quiz - it was decided to run the BiB fund raising quiz on the same format as for the BCF one. Date to be fixed near end Feb.</p> <p>Plant pot trail - the weekend of May 26th - days to be decided. We will have a tent at Gala to offer a workshop.</p> <p>It would be useful to have a written record of where Bloomers are willing to commit to for watering, feeding &amp; deadheading as part of a small team. Julie to prepare a list and ask everyone to offer what they want to do. It was pointed out that planters need feeding over the Winter too by Joe at Woolley Moor.</p>	<p>Helen/Julie</p> <p>Julie</p> <p>Julie</p> <p>Julie</p> <p>Julie</p>
AOB	Points for the next agenda - where best to obtain plants, LE greenhouse situation, timing of purchase.	
Date of next meeting	Sunday 14th January, 7pm Chequers.
